Ordering Photos of Your Child(ren)

Date: 01/11/2015

Dear Parents,

Popular GCC photographers, Lensman Studios, have now visited the school twice this year. They have sent us the digital thumbnails of their pictures to place on our website so that you can view them and make an order. We hope that you agree that the photos capture the child's personality rather than taking a more formal, traditional 'mugshot'. Please visit our Broadcaster website to see the photo that has been selected of your child(ren). Click on the post titled 'The school photos are ready!'.

Alternatively visit this link:

<http://abisoman.com/broadcaster/2015/10/29/the-school-photos-are-ready-2/>

Though this is a period of high demand for the photographers, we will try to have the photos delivered before the Winter Break. For this reason we need your order and payment by **Tuesday, November 10th at the latest**. Your payment (see options below) must be made in cash and given to the reception. It is possible to order more than one set and different options and you should indicate this on the form below. If you have any questions then please contact **Carlijn Daamen** c.daamen@abisoman.com by email. Please be aware that this is a service we provide to parents. The school makes no profit from this payment with all revenue going to the photographers.

We really hope you enjoy the photos!

Yours sincerely,

Neil Tomalin
Head of School

An IB World School

IGCSE Examination Center

CIS Member School

Please remove and return this section to reception before **Tuesday, November 10th**

I would like to purchase the photos for:
