9th November 2016

Dear Parents,

PHOTOS NOW READY TO ORDER

Last month, popular GCC photographers, Lensman Studios recently visited the school. They have sent us the digital thumbnails of their pictures to place on our website so that you can view them and make an order. We hope that you agree that the photos capture the child's personality rather than taking a more formal, traditional 'mugshot'. Please visit our Broadcaster website to see the photos.

Though this is a period of high demand for the photographers, we will try to have the photos delivered before the Winter Break. For this reason we need your order and payment by **Wednesday 16th November at the latest**. Your payment must be made in cash and given to the reception or Miss Ruqaiya. It is possible to order more than one set and different options and you should indicate this on the form overleaf. If you have any questions then please contact **Hayley Blakey** h.blakey@abisoman.com by email or in person. Please be aware that this is a service we provide to parents. The school makes no profit from this payment with all revenue going to the photographers.

We really hope you enjoy the photos!

Yours sincerely,

Neil Tomalin
Head of School
