

ABIS Parent Area

At The Centre Of Our Community

Staying in touch with our parents is important to us

We are happy to announce the formal opening of our ABIS Parent Zone. Our aim is provide a place where parents at ABIS can connect, learn and find answers. We look forward to seeing you!

We have a range of websites which provide a huge amount of information to our parents (see more on the back page) but sometimes it is good to come in to school and learn. We operate an open campus for our parents and that means you are welcome at any time. The ABIS Parent Area is the place you can go if you want to get in touch with others, learn some more or just wait for the kids.

We hope that you will find it useful and inviting.

The ABIS Parent Zone offers...

ABIS Book Exchange

Comfortable Waiting Area

Information Sessions

Talk with the Team Sessions

English Classes

ABIS School Shop

Access to Administration

The ABIS Book Exchange

The ABIS Book Exchange is a great place for parents to swap both adult and children's books.

You will find a wide range of books already available so there is plenty to choose from.

The Book Exchange just has one rule: **You need to donate a book for every book that you take!**

Please ensure that books shared are appropriate and are in good condition.

Where is it located?

You'll find the Book Exchange on your left as you walk into the main doors to the LC3.

Parent Information Sessions

Giving you all the information we can is really important to us. One important way that we do this is through our parent information sessions held throughout the year.

Find out about how kids at ABIS learn...

If you want to understand how we work with children to ensure that they get the very best experience of school then you should attend these meetings.

Details of the sessions are advertised in the Broadcaster so make sure you read the mail that you receive from the school! The Parent Area has a learning space and this is where all of these activities happen. It is located at the back right of the LC3 Atrium area.

Curriculum Information Sessions take place on the first Thursday of the month at 8.30 AM and are designed to be of specific interest to groups of parents.

English Lessons

We know it is important that we can all talk to each other. ABIS offers English classes to parents so that we can!

The classes are popular and if you would like to enrol, please contact Hayley. Her e-mail address is h.blakey@abisoman.com.

Meet the Team Sessions

Sometimes it is important to get a quick answer to a question. Parents can always contact us by e-mail or arrange to meet but we offer another way of giving and gaining feedback.

Meet the Team sessions are times where one of the **ABIS Leadership Team** will be in the Parent Area (usually on the couch!) happy to chat or give feedback.

They happen twice a week, on **Monday from 8:20 - 9:00** and **Wednesday from 15:00 to 16:00** and we look forward to catching up with you.

ABIS School Shop

The easiest way to shop for ABIS product is to go online and shop at our web shop. It is open 24/7 and you can access it by going to: abisoman.com/shop.

Alternatively, you can come to our physical shop to look at the sample products available and order.

The shop is located in the Parent Area in LC3 and is only open at certain times. These are posted on the door of the shop and are shared in the Broadcaster.

The Waiting Area

Sometimes waiting around for your children can be a bit dull. Sitting in the car is one option but we would like to encourage you to come by and wait in comfort... and perhaps make yourself a coffee or tea.

The Waiting Area is situated to the left of the main doors to LC3 and conveniently placed so you can watch the children walk by or listen to music classes!

Got a toddler?

The waiting area has been set up with lots of things for the little ones to do while you are waiting. Feel free to let them play but, please, just tidy up with them before you leave.
